

COOKIE POLICY

A cookie is a small file downloaded on to a device when the user accesses a website. The cookies allow the website to recognise a user's device on each subsequent visit.

The cookie settings on www.nikken.com/eu/ are set to 'allow all cookies' in order to function. If you continue without changing these settings, you consent to this and to our cookies policy.

www.nikken.com/eu/ uses persistent cookies. These cookies are only used for the customer and only used for the purpose of the functionality of the site. Without these cookies, the site would not be able to function.

This website also uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files stored on your computer, to help analyze how you use the website. The information generated by the cookie about your use of this website (including your IP address) is transmitted to and stored on a Google server in the USA. Google will use this information to evaluate your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will never associate your IP address with any other data held by Google. You may refuse the installation of cookies by selecting the appropriate settings on your browser; however, please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing the data about you by Google in the manner described above and for the aforementioned purpose.

You can object at any time and with effect for the future to the data collection and storage by Google Analytics by downloading a browser add-on to disable Google Analytics and installing it for your browser. The deactivation add-on can be found here: <http://tools.google.com/dlpage/gaoptout?hl=eng>.

The specific cookies this site uses are detailed below:

SESSION ID: This provides identification number to the sessions, meaning any visitor will have a session, authenticated or not.
